## **NAMING YOUR HORSE? – REGISTER A PREFIX!**

1. The IPSA offers the facility to register a prefix with the Central Prefix Register for a fee of €60. This facility is optional. The prefix should be a geographical name or a distinctive word or name. A prefix may have a maximum of 20 letters, and two word prefixes are not accepted. Initials can be accepted, with a minimum of three letters. Breed names are not allowed.
2. The individual names of ownership of the prefix must be stated in the form overleaf. Please note that it is advisable to mention all the individuals (i.e. members of the family) that will own the prefix as there is a cost to add names to the ownership of the prefix once the certificate of ownership of the prefix has been issued.
3. The fee of €60 is a once off payment. There are however additional charges if changes are made to a prefix, or in a change of ownership. There are further charges if the prefix is to be used with other societies.

*See overleaf for details*
